DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in an email correspondence with Pascale Hair on 04 March 2006.

The application has been amended as follows:

IN THE CLAIMS:

Claims 59 and 61-63 are cancelled.

Allowable Subject Matter

3. Applicant is advised that the Notice of Allowance mailed 22 December 2005 is vacated. If the issue fee has already been paid, applicant may request a refund or request that the fee be credited to a deposit account. However, applicant may wait until the application is either found allowable or held abandoned. If allowed, upon receipt of a new Notice of Allowance, applicant may request that the previously submitted issue fee be applied. If abandoned, applicant may request refund or credit to a specified Deposit Account.

4. Claims 1-28, 31-51, 54, 55 and 64-74 are allowed.

5. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fail to teach or fairly suggest, in conjunction with other limitations in the claims, a reading device for reading a product item interface surface having disposed thereon coded data indicative of a plurality of reference points, wherein each reference point corresponds to a respective location on the interface surface. The reading device includes a processor for determining, using at least some of the sensed coded data, position data representing the position of a sensed reference point on the interface surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
